

The Golden Age of Geo-Positioning

Thursday April 15, 2010

09:00 - 09:45 Registration

09:45 - 10:00 Opening Comments – Richard Worsfold

10:00 - 11:45 Presentations

10:00 - 10:30

[download presentation](#) ↓

Precision Agriculture

Presenter : Mike Duncan
Organization : Niagara College

10:30 - 11:00

[download presentation](#) ↓

3D Mineral Exploration

Presenter : Bill Morris
Organization : McMaster University

11:00 - 11:30

[download presentation](#) ↓

Cloud Computing

Presenter : Mazin Yousif
Organization : Global Technology Services - IBM

11:30 - 12:00

[download presentation](#) ↓

New Technologies for Enhanced Forest Resource Inventory (eFRI)

Presenter : Paul Treitz
Organization : Queen's University

12:00 - 13:30 Lunch

13:30 - 17:00 Presentations (continued)

13:30 - 14:00

[download presentation](#) ↓

Real-time environment monitoring using wireless sensor networks

Presenter : Mohamed Ibnkahla
Organization : Queens University

14:00 - 14:30

[download presentation](#) ↓

CODIGEOSIM: Geosimulation tools for simulating spatial-temporal spread patterns and evaluating health outcomes of communicable diseases

Presenter : Jianhong Wu
Organization : York University

14:30 - 15:00

[download presentation](#) ↓

Earth Observation and Urban Awareness

Presenter : James Elder
Organization : York University

15:00 - 15:30

[download presentation](#) ↓

Sensor Webs for Environmental Monitoring

Presenter : Phil Graniero
Organization : University of Windsor

15:30 - 15:45

Break

15:45 - 16:15

[download presentation](#) ↓

AIS Presentation

Presenter : Eric Meger
Organization : exactEarth

16:15 - 16:45

[download presentation](#) ↓

Challenges in the design and deployment of wireless sensor networks for outdoor environmental monitoring

Presenter : Ramiro Liscano
Organization : UOIT

16:45 - 17:15

Monitoring Agricultural Activities from Space

Presenter : Aaron Berg
Organization : University of Guelph

17:15 - 17:30 Directions For Breakout Groups

17:30 - 18:30 Wine Tasting

Friday April 16, 2010

09:00 - 12:00 Breakout Discussions

09:00 - 09:30

Breakout Session

09:30 - 10:30

Breakout Groups

10:30 - 11:00

Break

11:00 - 12:00

Breakout Groups

12:00 - 13:00 Lunch

13:00 - 15:30 Breakout Discussions

13:00 - 14:30

Breakout Presentations and Discussion

14:30 - 15:00

Where Do We Go Next?

15:00 - 15:30

Wrap Up
