

A Tale of Two Wineries

Donated by: Inniskillin Wines
Jackson-Triggs Niagara Estate Winery
Niagara Airbus

Package Value: \$3,100

Begin your experience with Del Rollo at Jackson-Triggs Niagara Estate with a tour of one of Niagara's state-of-the-art wineries. Following your tour, enjoy a structured tasting of award-winning wines paired with a selection of Canadian cheeses.

You will then travel to Inniskillin, where you will experience Canada's wine industry roots with a personalized tour by Debi Pratt, taking an in-depth tour focusing on the art of Icewine making. Enjoy the different varieties and styles of Inniskillin's award-winning Icewines through an interactive tasting featuring the Riedel Icewine Glass and unique food pairings.

Upon departure from Inniskillin, each couple/single will receive a copy of ICEWINE: Extreme Winemaking, authored by Inniskilling co-founders Donald Ziraldo and Karl Kaiser and a gift of three bottles of wine (one table wine, from both Inniskillin and Jackson-Triggs) and a bottle of Inniskillin Commemorative Olympic Icewine.

Package includes:

- Magnum of 2003 Inniskillin Vidal Icewine signed by co-founders Donald Ziraldo and Karl Kaiser
- A group of 10 guests will enjoy a personalized tour of two of Niagara's premier wineries:
 - **Jackson-Triggs Niagara Estate Winery** with Del Rollo
 - **Inniskillin Wines** with Debi Pratt
- **Niagara Airbus** mini-coach services for winery tours to and from any Niagara Region address (Value \$650)

Reservations must be made at least one week in advance and are subject to availability.

That's Entertainment!

Donated by: Design Electronics

Package Value: \$8,000

Experience the ultimate home entertainment theatre package with the Samsung FP-T6374 63" Plasma TV. Its full High Definition 1080p resolution brilliantly displays every image in crisp detail. With 18-bit processing and 15,000:1 contrast ratio, you enjoy a dazzling picture in an astonishing range of colours and shades, from the whitest whites to the blackest blacks. Even in a bright, daylight-filled room, new Ultra FilterBright eliminates glare, for full-bodied colour and contrast at all times. Advanced Samsung plasma picture technology delivers sharper screen text, while eliminating "noise." Samsung also introduces an innovative auto-pixel-shift technology that makes picture "burn-in" a thing of the past. Experience robust, 3-dimensional TruSurround XT sound. Connect all your digital devices and peripherals courtesy of three HDMI ports, a full complement of audio and video inputs, and a USB 2.0 input. The HDMI-CEC feature lets you streamline all your CEC-enabled devices conveniently through just one remote control. It's also Energy Star Compliant, using less energy.

A Samsung 7.1 surround sound system with Blu-ray DVD player offers Blu-ray full HD playback, Dolby True HD and DTS-HD compatibility and 1,100 watts of power.
